1. ☒ The amendment filed on 31 March 2008 under 37 CFR 1.312 has been considered, and has been:

a) ☒ entered.

b) ☐ entered as directed to matters of form not affecting the scope of the invention.

c) ☐ disapproved because the amendment was filed after the payment of the issue fee.

Any amendment filed after the date the issue fee is paid must be accompanied by a petition under 37 CFR 1.313(c)(1) and the required fee to withdraw the application from issue.

d) ☐ disapproved. See explanation below.

e) ☐ entered in part. See explanation below.

The examiner concurs that the amendment does not substantively change the claims. One of ordinary skill in the art would have readily understood that the subject phrase, "said book representation" (at line 3 of each claims 4 and 13), refers to "an electronic book" (at line 2 of claim 1 and line 3 of claim 13).
